

## **ENJOY A NIGHT AT THE THEATRE – AND HELP MMF SUPPORT A VITAL MUSEUM ACCESS PROJECT**

**HAZLITT THEATRE, MAIDSTONE - TUESDAY NOVEMBER 5 – SATURDAY NOVEMBER 9, 2024. (7.30pm NOVEMBER 5 – 8 or 3pm NOVEMBER 9)**

MMF is one of the charities kindly chosen again by the long-established and highly regarded Willington Players to benefit from every ticket sold by the charity for their next production, Terence Rattigan's acclaimed Second World War drama Flare Path. This story of love, loyalty and desire is set against the backdrop of an RAF Bomber Command night mission.

For every ticket you buy for £17, MMF receives £7.36. This will go towards a flexible Museum step system now installed but still needing funds.

The last play you generously supported Witness for the Prosecution raised more than £800 for this vital project, an essential improvement ahead of the opening last June of the impressive Lives in our Landscape gallery.

MMF Trustees warmly invite you, your family, friends, and guests to enjoy another entertaining night at the theatre while at the same time supporting our wonderful museum. You can choose any performance to suit you.

### **MMF WILL ONLY BENEFIT IF YOU BUY THROUGH MMF – NOT THE THEATRE!**

Dining note: By special arrangement with the Willington Players, Frederics Bistro, an MMF corporate supporter, offers a 2-course pre-theatre dinner for £15. This offer is only available by booking direct with the restaurant (01622 297414).
